

# Windy Boats 42 Grand Bora (2009-)

## Brief Summary

One of the most popular brands of powerboat in Europe is Windy and it is now being distributed in the U.S. by a new dealer in Connecticut. These boats are well-built and meet the rigorous requirements of a country that takes recreational boating seriously. The Windy 42 Grand Bora express cruiser we recently looked out has 2 mid cabins, which is very unusual in this size boat. Obviously designed for cool climes, the Windy 42 comes with Helly Hanson cruising canvas that makes even a rainy day a cozy treat.
