Builder Commentary

The 41 Custom Carolina Edition is truly the culmination of many of our customer's best ideas, our Carolina heritage, and more than four decades of boatbuilding experience.

The CCE boasts a new helm deck arrangement with upgraded upholstery on her integrated mezzanine seating, wrap-around helm lounges, and Release Marine teak helm chairs. The one-piece, molded fiberglass windshield provides incredible visibility and excellent protection from the elements.

The layout provides abundant storage for tackle and gear, including an innovative place for two gaffs. The entire helm deck rises on hydraulic actuators for mechanical access, making service of the twin CAT or Cummins diesel engines, Onan 9kw generator, and other machinery simple.

Her cockpit is large and uncluttered, yet it contains everything necessary for serious offshore battle. Her livewell and bait freezer are located under lids that double as footrests for the mezzanine seating, and her in-deck cockpit fish box is removable for access to equipment in the lazarette.

Flush-mounted rod holders, a transom fishbox, and a transom door round out the business end of the boat.

The interior design features a brilliant balance of space utilization, comfort and luxury with grain-matched, American cherry cabinetry throughout. Her forward stateroom features a queen size berth with spring mattress and "his and her" hanging lockers and drawer banks.

The galley contains solid-surface countertops, two-burner stove, microwave/convection oven, drawer-style refrigerator/freezer, under counter icemaker, and ample cabinet and drawer space. The starboard side

dinette converts to a double bunk and has a Pullman feature, providing a fifth bunk. Above the Pullman is one of the boat’s two dedicated rod storage lockers. Her head is spacious and includes a separate shower stall for added comfort on extended cruises.

The 41 CCE is an impressive offshore fishing machine that combines striking lines and dramatic Carolina-style flare with unparalleled interior design, innovation, and craftsmanship.

Boat Details

CONSTRUCTION

- Accessible Gelcoated Bilge Areas
- Bonded and Mechanically Fastened Hull, Deck, and Liner
- Bottom Paint (Black) with Barrier Coat – True Waterline
- Fiberglass Encapsulated Stringer System
- Heavy Duty Vinyl Rub Rail with Stainless Steel Insert
- Molded, Hand-Laid Fiberglass Construction with Premium Gelcoat Finish and Vinylester Resin
- Non-Skid Deck and Cockpit

MECHANICAL

- 95 Gallon Fresh Water Tank with Pressurized System
- Acme CNC Machined 4 Blade Nibral Propellers
- Acoustical and Thermal Engine Room Insulation
- Automatic Fireboy Fire Protection System
- Bilge Pumps (3) with Indicator Lights, Float Switches (3), High-water Alarms (3)
- Bright White Gelcoat Finish in Engine Room
- Bronze Rudders with Stainless Steel Shafts
- Bronze Struts
- Dripless Shaft Seals
- Electronic Side-Mount, Single Lever Engine Controls
- Engine Alarm System

- Engine Hour Meters
- Engine Room Blowers
- Engine Synchronizers
- Fiberglass Mufflers
- Flanged Bronze Seacocks on all Through-Hulls below Water Line
- Fuel/Water Separator Filters
- Gauge for Holding and Freshwater Tanks
- Gelcoated Engine Room Bulkheads
- Holding Tank with Dockside and Overboard Pumpout
- Hot Water Heater (12 US gal)
- Hydraulic Steering System w/ Power Assist
- Hydraulic Trim Tabs
- Sea Strainers (External)
- Stainless Steel Double Taper Shafts
- Trolling Valves
- Twin Freshwater Cooled Diesel Engines
- Underwater Exhaust

ELECTRICAL

- 50 A Dockside Service with 50' Shore Power Cord
- 24 V DC Electrical System
- 9 kW Onan Diesel Generator, Freshwater Cooled with Remote Start and Gauge Panel

- AC Electrical Distribution Panel with Digital Line Voltage and Load Meter and Circuit Breakers
- Heavy-duty Marine Batteries(6) with Boxes
- Battery Charger – 65 Amp (24 V)
- Battery Paralleling
- Bonded Electrical System with Transom Zinc Plate
- Color-Coded Wiring System
- DC Breaker with Uninterrupted Power to Bilge Pump and High Water Alarm
- DC Electrical Distribution Panel with Digital Battery Voltage and Load Meters
- Dual-Trumpet Air Horn
- Electric Battery On/Off Switches, Vapor Proof
- Ground Fault Receptacles in Galley, Head, Engine Room &Lazarette
- LED Engine Room Lights
- LED Interior Lighting Throughout
- LED Navigation Lights
- Prewiring for Electronics at Helm

DECK

- Anchor Locker Hatch
