Builders Commentary

Sunseeker's new tri-deck yacht in the 50-meter segment follows the brand's iconic exterior lines and offers exceptional space and volume. The opulent interior spaces can be styled to each owner's unique taste via Sunseeker's renowned 'Bespoke' service. The theme throughout is one of space and flexibility, maximizing volume and providing compelling features to enhance enjoyment onboard. Many of these features are usually only associated with much larger craft including the plunge pool on the main deck and the exceptional beach club with drop-down bulwarks and transom to create an incredible space for relaxing or entertaining close to the water. The standard guest configuration is for 10 guests in five cabins, with scope for up to 12 to be accommodated depending upon layout chosen. Hull #1 is due for launch in Spring 2021.
