Builder Commentary

It’s the boat fans of coastal cruising have been waiting for. With a 7-meter LOA and nearly 8 feet of beam, the new Element CC7 makes the most of its size—and your boating budget. Its large fore and aft decks are awesome sun pads or fishing platforms with loads of storage beneath. Aft flip up seating quickly folds out of your way when its time for business. Check it out...you’ll be hard pressed to find more boat for the money anywhere.
