

Riviera 4600 Sport Yacht Platinum Edition Review

Brief Summary

Riviera Yachts has expanded its Sport Yacht Platinum Edition series with its newest model, the 4600. She has the signature silver and black graphics accents, seamless linking of the cockpit and galley and waterfall countertops that define the series. For entertaining, the cockpit, galley and salon are all on the same level and the multi-person sunpad on the bow has an adjustable backrest. Her portside helm looks like something out of a private jet and below, there are accommodations for six.
