

Bluewater Yachts 6000 Custom

Brief Summary

The Bluewater 6000 Custom features an interior raised pilot helm and a sleek new look with curved safety glass windows that supply panoramic views and enhanced visibility in inclement weather. A newly designed sealed hatch door provides greater water protection in rough seas. The custom-designed floor plan can include two or three staterooms, and added headroom increases the spacious feel of both the bow stateroom and the open salon. Numerous new touches make this the most efficient and elegant Bluewater ever released. The Bluewater 6000 Custom is available equipped with twin 480C-E Cummins diesel engines
