

Cruisers Yachts 390 Sports Coupe (2009-2010)

Brief Summary

In our opinion the Cruisers Yachts 390 Sports Coupe is one of the best values in a express cruiser in her class. Her displacement is in the middle of her peers and with twin diesels her mpg performance is outstanding Her top speed and cruising speed is in the top band in class. Take a look at this video of Capt. Steve giving her cockpit and interior a close look and you can judge for yourself how she stacks up against the competition. Now Cruisers Yachts is offering the 390 with three IPS drives, so we reckon her performance will be off the charts.
