# Builders Commentary

The flagship of the fleet. The largest planing pleasure boat that Ferretti Yachts has made to date. 96 feet of sporty lines, best-in-class performance and supreme levels of amenity. All told, the 960 is the zenith of cruising comfort and panache. At 29.20 metres in overall length and with a hull length of 23.97, she can be manoeuvred like a pleasure craft, even without the aid of a professional captain. And the standards of accommodation are simply unprecedented: she is the brand’s first vessel with a master cabin on the main deck and four below, all generously proportioned and with premier fittings and décor. To complete the layout, the three spacious, practical crew cabins have private access to the galley. The flybridge and stern area are a haven of leisure. When closed, the garage door offers a trio of cushioned sun pads, while the swim platform features a convenient mobile section that makes short work of launching and hauling out the tender. Intimacy with the sea is always assured, even on the flagship.
