# Builders Commentary

Featuring the very latest in Princess Flybridge design and the new Allure Collection - an optional style pack featuring an array of fixtures, fittings, and finishes, the all-new F70 is the flagship of our flybridge range. Her generous, 26.58m2 flybridge accommodates a large U-shaped dining area, served by a fully equipped wet bar, aft sun pad and forward seating area adjacent to the helm. The social layout of her main deck features an aft galley arrangement that opens fully to the cockpit and a walkthrough foredeck area with additional sunbathing and seating areas. Out at sea, her performance feels light and responsive all the way up to speeds in excess of 36 knots. Altogether a distinctively Princess experience.

Defined by highly detailed, hand-crafted furniture and upholstery, her interior finishes play with texture and light. Soft suedes, bronze tint mirror, hand-stitched detailing, and Japanese wall coverings unite in perfect balance for an alluring effect. The full-beam master suite has a private access stairway, whilst the forward stateroom boasts a large double bed. Two further guest cabins and an optional crew cabin feature single beds and the option to be converted to double.
