Builder Commentary

Take the compact cruiser concept, add the open deck layout of a sport boat and you've got the new Bayliner Ciera 8 Sport. The largest of our cuddy cabin series, the Ciera 8 Sport is designed to satisfy day and overnighting boaters with equal success. The boat's elevated helm station allows for a unique mid-cabin berth below, in addition to the forward cabin berth allowing the Ciera 8 Sport to sleep a total of four people. Natural light is in abundance thanks to twin deck skylights and one on each hull side. There is also a stand-up head with marine toilet, hot water shower and ample storage.

Add to that a navigation-ready helm with reversible backrest seat, a handy staircase molded into the cabin door to access the foredeck, plus a host of other comforts and you're ready to cast off and unwind.
