# Builders Commentary

We wanted the BAVARIA R55 to set a benchmark and be something incomparable. A yacht so good that disrespectful of its heritage, contemporary with the present, ready for the future. The result: a pioneering, dynamic hull design without equal.

Then there is the intentionally low-profile flybridge and deck lines -making the boat much sleeker and more elegant. All in all, the BAVARIA R55 turns heads and performs astonishingly. A true revolution, in other words. Are you ready?
