Builders Commentary

There is no greater thrill than introducing a new Fairline to an already appreciative audience. Because this is a motor yacht where you will discover the power, luxury and pure joy in one perfectly designed place.

The Targa 50 GT is a spirited soul with adventure in its sights. But that doesn't mean you can't have all the luxurious touches you would expect from a Fairline. On the inside, beautiful oak flooring, Carrara white worktops and inlays, and 100% New Zealand wool twist carpets. And on the outside, a striking anthracite-colored roof, ensuring this Motoryacht a thing of true beauty.

Whatever you want to do, the Targa 50 GT is the motor yacht to do it in. Its twin Volvo IPS engines, available in 600, 650 or 700 engine options, are just waiting for you to say the word, whether it's getting you swiftly to your destination of choice, or just cruising for a while. And adding to any experience is our new Premium Pack option, with a range of equipment including a submersible bathing platform, a wet bar with griddle and sink and a Fusion entertainment system with Bluetooth connectivity. Wherever you decide to go, the fun is all yours.
