## Builders Commentary

You'll discover every consideration has gone into the design of the Squadron 50. The flybridge has been configured to offer all the space you need to enjoy a leisurely breakfast around the teak dining table, before claiming the sunbed and your place in the sun.

Cruising to any destination is what the Squadron 50 will do on your command, thanks to the twin Volvo IPS engines in 600, 650 or 700 engine options. But there is something equally as thrilling at your fingertips. Our first ever Premium Pack option, with a host of specifications including high capacity air conditioning, teak-laid flooring on the flybridge and a submersible bathing platform. This motor yacht is ready to take you places. And take you there in style.
