# Builders Commentary

With beautiful lines and a design engineered for ultimate performance, the Regulator 25 goes above and beyond what you would expect from a mid-size boat. Big boat features include optional engine upgrade to twin Yamaha F250s, transom walkthrough tuna door and SeaStar Solutions Optimus Electronic Power Steering with tilt helm. Great speed, fantastic fuel economy, and an incredibly well-balanced ride come standard so you can fish the canyons in comfort or bring the family aboard for everyday fun. New standards for 2020 include T-Top with integrated wraparound windshield for more protection at the helm and Factory-Installed Garmin® 16 Fish Package. Enjoy spacious seating, ample storage, freshwater transom shower, and head with electric pump wherever your days on the water take you.
