Builders Commentary

The flagship of the Billistic line, the 351CC represents the finest quality throughout in boat building today. With 30years of experience in building some of the safest boats on the water, Key West Boats is stepping up the game with this series. Compare it with other fine boats in every way, from the meticulous attention to detail in the wiring, choice of pumps and plumbing, accessibility to service items, clean finish, and the user-friendly details of layout, this is a serious entry with hardcore offshore capability combined with creature comforts unsurpassed at any price. Billistic Boats will not be available at all Key West Boat outlets.
